# Setting up your Funraise Page

Funraise is the platform Sepsis Alliance uses to process online donations.

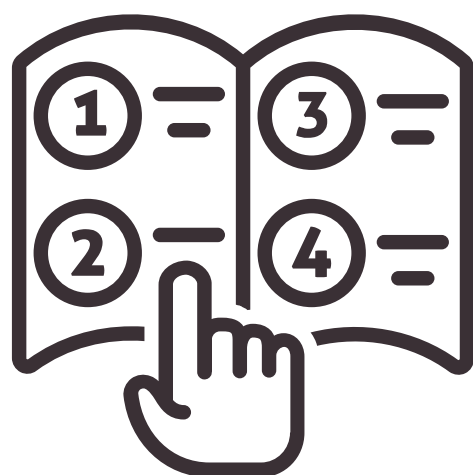

---

Follow the link provided to you and click 'Sign Up'.

Select the appropriate account type for you. Are you fundraising individually or with a team?

Follow along with the instructions for filling in your information.

Set your fundraising goal! You can always increase your goal once you reach it.

Personalize your page! Add a profile picture or details about why you are fundraising.

Create your page and start fundraising!

If creating a team, share the link with your group and help them create their pages!
